16 The stem and leaf diagram shows information about the weights, in kg, of 20 bags.

8	3	5	5	6	7	9	
9	4	5	6	7	8	8	9
10	1	2	3	4	7		
11	0	1					

Key: 8|3 represents 8.3 kg

(a) Find the range of the weights of these bags.

..... kg

(2)

One of the 20 bags is chosen at random.

(b) Find the probability that the bag has a weight greater than 10 kg.

.....

(2)

(Total for Question 16 is 4 marks)
