11 The pie charts give information about the ages, in years, of people living in two towns, Adley and Bridford.

Adley

Diagrams accurately drawn

Bridford

The ratio of the number of people living in Adley to the number of people living in Bridford is given by the ratio of the areas of the pie charts.

What proportion of the total number of people living in these two towns live in Adley **and** are aged 0 – 19?
Give your answer correct to 3 significant figures.

.....

(Total for Question 11 is 3 marks)
