16 Here is a diagram showing triangle *ABC* and triangle *ADE*.

Describe fully the single transformation that maps triangle *ABC* onto triangle *ADE*.

A = (1,1) is fixed; AC : AE = 1 : 4.

Enlargement: centre (1,1), scale factor 4.

2 marks total
Enlargement
Centre (1,1), scale 4

(Total for Question 16 is 2 marks)
