

- 16** Beena has a holiday in a villa in France.
The total cost of her travel is £349

Beena is on holiday for 2 weeks.
The cost of the villa is 650 euros per week.

While on holiday, Beena has 7 art lessons.
The cost of each art lesson is 45 euros.

Using an exchange rate of 1.12 euros = £1

- (a) work out the total cost of Beena's travel, villa and art lessons.
Give your answer in pounds (£).

£.....
(4)

- (b) If there had been more euros to £1, how would this affect your answer to part (a)?

.....
