7 Matthew has eight cards.
There is a number on each card.

3	1	2	3	6	8	7	2

(a) Work out the range of the numbers on the cards.

Range = 8 – 1 = 7.

1 mark
7

(1)

(b) Work out the median of the numbers on the cards.

In order: 1, 2, 2, 3, 3, 6, 7, 8.

Middle two: 3 and 3.

Median = (3 + 3) ÷ 2 = 3.

1 mark
Order; find middle pair

1 mark
Median 3

(2)

(Total for Question 7 is 3 marks)
