8 Sharon asked each of her friends to name their favourite Olympic sport.

The table below shows information about their answers.

Sport	Frequency
athletics	13
cycling	17
swimming	8
gymnastics	7

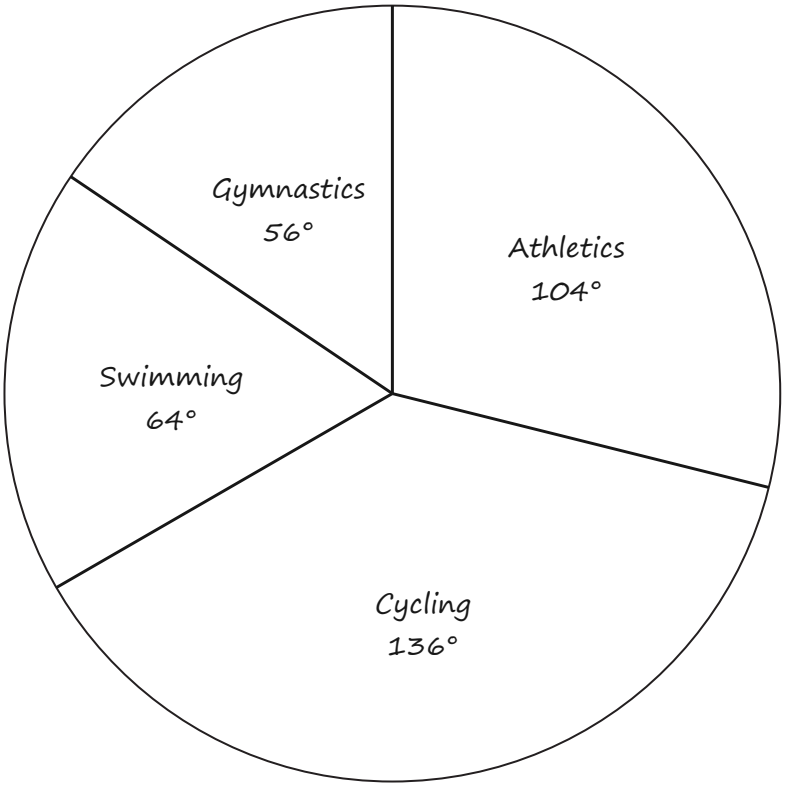

Draw an accurate pie chart for this information.

Total = 13 + 17 + 8 + 7 = 45.

1 mark
Frequency ÷45 ×360

Each friend represents360° ÷ 45 = 8°.

Angles:13×8=104°;17×8=136°;8×8=64°;7×8=56°.

1 mark
All four angles

1 mark
Four named sectors

(Total for Question 8 is 3 marks)
