8 Here is a centimetre grid.

1 mark
R(−1,−2)

(a) Write down the coordinates of the point *P*.

1 mark
x first, then y

(1, 3)

(1)

(b) Plot the point with coordinates (−1, −2)
Label this point *R*.

(1)

(c) Find the area of triangle *STU*.

Base SU=9−3=6cm; height=9−5=4cm.

1 mark
Base × height ÷2

Area = ½×6×4 = 12cm².

1 mark
12cm²

..... cm²

(2)

(Total for Question 8 is 4 marks)
