23 Jess rounds a number, n, to one decimal place.
The result is 15.6

Complete the error interval for n.

15.6 − 0.05 = 15.55; 15.6 + 0.05 = 15.65

2 marks total
Lower included; upper excluded.

15.55 $\leqslant n <$ 15.65

(Total for Question 23 is 2 marks)
