DO NOT WRITE IN THIS AREA

9 Here is a probability scale.
It shows the probability of each of the events A, B, C and D.

(a) Write down the letter of the event that is impossible.

1 mark
Impossible means probability 0.

A

(1)

(b) Write down the letter of the event that is likely.

C

(1)

1 mark
Likely is above ½ and below 1.

(Total for Question 9 is 2 marks)
