18

Enlarge shape **P** by scale factor $-\frac{1}{2}$ with centre of enlargement (0, 0).

Label your image **Q**.

(Total for Question 18 is 2 marks)

Multiply both coordinates of every vertex by -½:

(2, 3) → (-1, -1.5), (2, 7) → (-1, -3.5), (4, 3) → (-2, -1.5).

2 marks total

All three image vertices and label Q correct
