13 The stem and leaf diagram below gives information about the ages of people in a social club.

3	1	4	5			
4	0	2	2	5	6	
5	0	1	7	7	8	9
6	3	4	5	9		
7	0	4				

Key: 4|2 represents 42 years

Find the range of these ages.

Youngest age = 31; oldest age = 74.

Range = 74 – 31 = 43 years.

2 marks total
Identify 74 and 31
Range 43

..... years

(Total for Question 13 is 2 marks)
