9 (a) A bag contains red counters and blue counters only.

number of red counters : number of blue counters = 3 : 4

Write down the fraction of the counters that are red.

Red parts = 3; total parts = 3 + 4 = 7.

Fraction red = 3/7.

1 mark
3 of 7 parts

.....

(1)

(b) Write the ratio 12 : 30 in the form 1 : n

Divide both terms of 12 : 30 by 12.

12 : 30 = 1 : 2.5.

2 marks total
Divide by 12
1 : 2.5

.....

(2)

(Total for Question 9 is 3 marks)
