19		No with supporting evidence	P1 P1 P1 C1	for process to find dimensions of enlarged photo, eg 12 × 1.5 by 8 × 1.5 (= 18 by 12) for process to find inside dimensions of the frame, eg (40 – 2 – 2) by (26 – 2 – 2) (= 36 by 22) (dep P1) for process to consider one dimension total of the 4 photos, eg “18” × 2 (= 36) or “12” × 2 (= 24) OR for process to find area of frame, eg “36” × “22” (= 792) and 4 photos, 4 × “18” × “12” = (864) for correct conclusion from accurate figures
