26		36.5	P1	for process to form equation to determine the radius, Pythagoras or trigonometry, e.g. $r^2 + r^2 = 8^2$
			P1	for $r^2 = 32$ or $r = 8\cos 45°$ oe
			P1	(dep first P1) for process to find area of circle, e.g. $\pi \times 5.6^2$ dependant on first P1
			P1	for complete process to find shaded area, e.g. $32\pi - 8^2$
			A1	for 36.5 to 36.6
