**16** Here are the ingredients needed to make 20 walnut biscuits.

**Walnut biscuits**

Ingredients to make **20** biscuits

| | |
|---|---|
| 50 g | butter |
| 100 g | caster sugar |
| 40 g | flour |
| 50 g | walnuts |
| 2 | egg whites |

Liz wants to make 50 walnut biscuits.

Work out the amount of each ingredient she needs.

| Biscuits | Butter g | Sugar g | Flour g | Walnuts g | Whites |
|---|---|---|---|---|---|
| 20 | 50 | 100 | 40 | 50 | 2 |
| 50 | 125 | 250 | 100 | 125 | 5 |

50 ÷ 20 = 2.5: multiply every ingredient by 2.5.

**1 mark**
Common multiplier 2.5

**1 mark**
At least 2 or 3 correct

**1 mark**
