16 Fayyaz bought a mobile phone for £180
He sold it at a profit of 22%

How much money did Fayyaz sell the mobile phone for?

%	£
100	180
122	219.60

100% + 22% = 122%.

180 × 1.22 = £219.60.
