8 Chrissy drew this graph to show the percentage of buses that got to a bus stop on time for six months.

(a) Write down **one** thing that is wrong with the graph.

The vertical scale misses 30: the gap from 20 to 40

is drawn the same size as a gap of 10.

1 mark
Equal distances on the scale must mean equal increases

(1)

(b) Describe the trend in the percentage of buses that got to the bus stop on time.

Overall, the percentage of buses on time increases.

(1)

1 mark
Describe the upward trend

(Total for Question 8 is 2 marks)
