19 Here are the ingredients needed to make 16 biscuits.

Biscuits

Ingredients to make **16** biscuits

175 g of butter
75 g of sugar
250 g of flour

Anna has

500 g of butter
300 g of sugar
625 g of flour

Work out the greatest number of biscuits Anna can make.

Butter: 500 ÷ 175 ≈ 2.86 batches

Sugar: 300 ÷ 75 = 4 batches

Flour: 625 ÷ 250 = 2.5 batches (the limit)

2.5 × 16 = 40 biscuits

3 marks total
Compare ingredients
Flour limits batches
40 biscuits

.....

(Total for Question 19 is 3 marks)
