3		Explanation (supported)	C1	for scale factors of 0.5 for decrease and 1.5 for increase seen; this could be shown in an example, e.g. £10 reduced by £5 then £5 increased by £2.50
			C1	for justifying the statement, e.g. 0.5 × 1.5 = 0.75 or £5 + £2.50 = £7.50
